**NEWS  
AND BUSINESS OPPORTUNITIES**

## Promote the development

True crossroads of the local economy, the **Consortium for the industrial development Roma-Latina**, has as its core business to promote industrial development and the establishment of new companies in the area of competence that, to date, extends from the agglomeration of Castel Romano in the municipality of Rome, to the Mazzocchio district in the municipality of Pontinia.

## INTERNATIONALIZATION

We aim to give stimulus to **settled companies** e **providing the "knowing-how"** and provide the necessary know-how to deal with the natural evolution of the system of markets, representing the practical application of a path that deepens and disseminates the issues related to the **construction of a culture of enterprise**.
